# DEDICATION

When we were sophomores, it was her first year too. Then as we entered into the activities around which our school life centered, she was always present. Invaluable to such organizations as N. F. L., Cheerios, Sky High Staff, and Student Government, she has won a place in the hearts of all Lee Edwards students.

It is with deepest affection and appreciation that we dedicate the "1952 Hillbilly" to Mrs. Dean Crawford, our teacher and adviser, but most of all our friend.

May your enjoyment for learning be gratified and encouraged in the coming years.

Love and best wishes

Dear Carmil,

Hows that for "murdering" a name? Honestly, though, Carmel I have really enjoyed knowing a hilarous female like yourself. Those days in "boomrume" were loads of fun and especially those laughs in chapel. I'm sure we did a good job drivin Miss O'Shaqnasty "crawsy" and ole Stougy went wild too so we done good.

Be good at Newcomb next year and don't forget me down at Mercy. Have fun, Carmel.

Loads of love,

Joan Bowers

Dearest Carmel,

I will never in all my life forget the wonderful times we've had in our twelve years together at school. I hope that our friendship will not end now that we are going our separate ways but that it will go on and on through the years to come. Carmel, I hope that your life will always be double rich with happiness because you are one gal that deserves only the best. I also hope that you want forget me when we leave asheville, but that you will always remember me and the fun, yes, and even our arguments together — I will never forget them.

May you sail the ship "Happiness" and land in the habor "Success"

Love to one of my best friends,

Doris Guzentanner
